

Are you a student interested in getting involved in Cave Research?

The British Cave Research Association (BCRA) and
Council of Higher Education Caving Clubs (CHECC) present:
'Connecting with Cave Research - Advice for Student Researchers'
Monday 19th October 19.00-21.30 GMT

An online webinar hosted on zoom, aimed at students in higher education
who would like to become more involved in cave research.

The programme will include:

- Talks from students who have recently completed cave science projects at undergraduate, masters and doctoral level.
- How BCRA can help students access cave research opportunities.
- Information about the British Cave Science Centre at Poole's Cavern in Buxton, and opportunities for projects.
- Funding opportunities for cave research from BCRA.
- Information about BCRA and upcoming events, including the online BCRA Cave Science Symposium (14th Nov 2020).
