The 34<sup>th</sup> British Cave Research Association Annual Cave Science Symposium will be held in the School of Earth and Environment, University of Leeds, on Saturday 21<sup>st</sup> October, 2023.

### **Call for papers**

The call for papers for this event is now open. Anyone wishing to present a paper or poster at the symposium or with any other queries should contact the programme organizer, Simon Bottrell ([s.bottrell@leeds.ac.uk](mailto:s.bottrell@leeds.ac.uk)).

All are welcome, and we look forward to seeing you at the symposium.

### **Field Trip**

On Sunday 22<sup>nd</sup> October there will be a field excursion to include Gillfield Level at Greenhow and caves of Nidderdale.

There is no charge for these events but donations are requested to support the running costs, particularly from participants in the Gillfield level visit towards the costs of maintaining access to this important part of our underground heritage.
